Tech Chief's Report

- One helmet failed tech and was not picked up
 - Helmets are kept for two events
- One car failed tech for the battery not being tied down, it was then zip tied down and passed tech

Treasurer's Report

- 78 entries plus 5 DB drivers
- We are took in more money on paypal than we did in cash
 - Only 6 people paid with credit card

April 7th Event Review

- Very bad weather. We had a two hour weather delay.
 - Discussion about moving all rain day events and/or two heats worth of people into a split heat event.
- Very low attendance
- Course was pinchy
 - The start was slightly adjusted morning of to have people turning away from the spectators
- The new pavement felt the same as the normal pavement
- Equipment
 - Two tripods are broken
 - Two battery packs need to be sent in
 - One t-link sat in rice
 - Mount antenna on the truck for display antenna
 - Billy goat wheel bearings falling apart
 - Oil has been changed and the fuel filter was leaking and has been changed
 - Fuse to lift the trailer needs to be fixed
 - New batteries are needed for the radios
- Port-o-potties were delivered very late. They decided to enter in all of our events into their system to make sure they don't forget about our events.
- Lightening delay protocol we followed was when lightening was within 20 miles we should shut the event down until there was no lightening within 15 minutes.

Starting Line School Planning

- 7am to 5pm
- Volunteers: Matt Baum, Chris Humphries, Lynn Ketchum, Laurie McCelvey, Zach Taulbee, Donna Trusty, Lee Trusty
