- Members in attendance (call-in): Gene and Barbara Beard,
- Committee members not in attendance included: Phillip Halek, Larry Peak, Donna Trusty

Tech Report

- One helmet failed tech and was returned to owner after the event.

Treasurer's Report

- June we had 78 entries and 2 DB entries

June 17th Event Review

- Big timing display fell during transport of truck and the red plexiglass lens is broken and needs some new parts. Race America wants \$75 for replacement. Part Number: 85-6803, Dimensions: 44 5/8IN x 12 3/16IN x 3/16IN. Robert taped the broken pieces back together.
- Event was stopped for heavy rain/lightening twice and once for a lunch break.
- Food truck was slower than expectations, but was received well.
- No timing issues. There was a rubber ducky at the truck and at the start instead of the directional antennas.

July 1st Event Planning

- We cannot setup on Saturday, or be on site earlier than 7am. We need to be off the site at 5:30pm.
- Solo safety steward Donna Trusty will not be at the event. Larry, Ho, and Michele can step in and assist.
- Course was approved as is, subject to morning test drives.

Aug 5th 2018 Course Review

- Course was approved as is, subject to morning test drives.

Oct 6th 2018 Course Review

- Course was approved as is, subject to morning test drives.

Autocross School Event Planning

- Rookie Skool: October 6th. Location TBD. Landon will begin ironing out the details.
- Starting Line: Will return in the Spring. We will contact them to see if we can fit in a fall event but we will not replace the Houston Rookie Skool.
- Evolution School: We were contacted about hosting a two day school in Houston after Nationals (between September and December). We would need to supply cones and someone to run timing.

Website Update

- Website is complete. Thank you to the reviewers that spent time submitting suggested changes and contributing wording for the pages. Thank you to Jeff Thomson for volunteering and whipping it into shape.
