- There was a hope that the autocross committee would accept the meeting invite so this could be discussed. The board would like to have a meeting with the autocross committee to discuss the below.
- An additional day has been secured at MSR over Labor Day weekend
 - Monday, September 7th Labor Day
 - The Board is giving four hours of **free** track time to the autocross committee

 - Set a cap at 70 entries for 35 drivers per heat
 - No rookies
- The morning autocross will be followed by track sprint then enduro.
