Tech Chief's Report

- Two helmets failed and were not reclaimed.
- One car failed due to missing a lug nut, but was fixed and subsequently passed tech.

Treasurer's Report

- 121 participants and 10 DB drivers.

December 2nd Event Review

- An abnormal amount of walkups, most were novices.
- Crossover was delayed due to the long loop and the dog leg visuals were tricky.
- We had four runs and were done around 2pm
- The drifters fixed the drop offs at HPA
- The billy goat died, but the air compressor is fixed
- The download from DLB did not include the 'X' and 'N' pax classes causing an issue with live timing and auditing the 'X' and 'N' pax classes
- If there are worker issues during the event reach out to the Safety Steward
- 'X' class needs to be more diligent in putting class letter on car

January 6th Event Planning

- Event was moved to HPA, we won't be having any events at HRP for the foreseeable future.
- Food truck is going to be Nom Mi Street.
- Key worker positions have been filled.
- Course has been approved

February Course Review

- Ken Brewer sent his course to Daniel McCelvey to review and edit. He will send out the course to the rest of the committee once he finishes his edits.

Annual Tech

- Will be at the January and February events and one off site location. Either January 12th or 26th
- Annual tech forms are in dropbox
- The stickers will be in the shape of a cone with a number 9 cut out and will be donated by Apex Auto Works

Other business
